Dear Mr. Zimmerman:

Andrew Otto Boggs is currently enrolled in my adult high school equivalency class at Wilkes Community College. He attends regularly and is a dedicated student.

On April 20, 2017, he completed and passed all five of the subject tests on the HiSET and achieved a High School Equivalency Diploma issued by the North Carolina State Board of Community Colleges. I have enclosed unofficial copies of his diploma and transcript. The official documents have been sent to his home.

Andrew has submitted an application to Wilkes Community College for the fall semester, and he is studying to take the college placement test.

I am pleased with Andrew's commitment to his education. He demonstrates maturity toward his studies as he focuses and masters the challenging math topics. He is a positive member of the class.

Sincerely,

Janet Derick
